CREATE'S THIRTEENTH ANNIVERSARY GALA DINNER

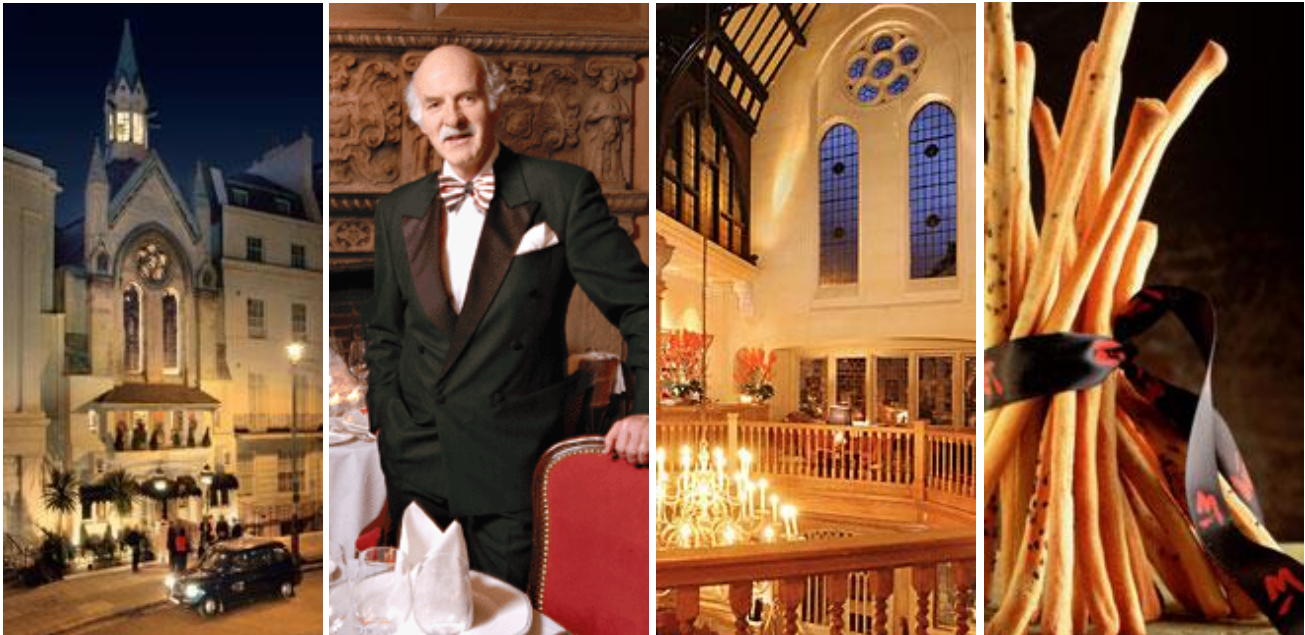

EXCLUSIVE BLACK TIE DINNER Mosimann's, Belgravia

Thursday 13 October 2016

"I create and for a time I am satisfied. Then I am inspired to create anew. This is my art." Anton Mosimann OBE

CREATE'S THIRTEENTH ANNIVERSARY GALA DINNER

On Thursday 13 October 2016, **Create** is celebrating its **thirteenth anniversary** with an exclusive Gala Dinner at Mosimann's, Anton Mosimann's stunning private club in Belgravia.

Create's thirteenth anniversary Gala Dinner will include a Champagne reception, four-course dinner with wine, raffle and auction. Guests will enjoy the best of food and the finest of wines in the most dramatic and luxurious of settings.

To secure one of just ten tables available for this event, please contact Nicky Goulder, Chief Executive, on T: 020 7374 8485 E: nicky@createarts.org.uk. Tables for 10 people are priced at £3,900 + VAT.

Founded in 2003, **Create** uses the power of the creative arts to transform the lives of society's most disadvantaged and vulnerable people by enabling them to develop creativity, learning, social skills and self-esteem. It has run 6,560 creative arts workshops for more than 31,500 children and adults, mainly as part of sustained, life-changing programmes. In 2015, **Create** was shortlisted for the Charity Times Charity of the Year award (in its category).

Create believes that everyone – regardless of circumstances, behaviour, age, gender, race or disability – deserves the chance to fulfil their potential. Its particular focus is on engaging the most marginalised participants in inspiring, sustainable arts programmes - delivered in familiar settings where they feel comfortable and safe - in areas where provision is poor and engagement in the arts is therefore low. Most projects are collaborations with community partners, which have specialist knowledge of local priorities and the participants that they exist to serve.

Create's work focuses on seven priority groups: young patients; disabled children and adults; young and adult carers; schoolchildren (and their teachers) in areas of deprivation; vulnerable older people; young and adult offenders (and their families); and marginalised children and adults.
