

CREATE WEEK

EVENT ORGANISER GUIDE

ABOUT CREATE WEEK

Create Week is a global celebration of creativity led by the charity Create. We believe creativity is a human need, something that connects us, helps us process the world around us, and brings moments of joy into everyday life. From 1–7 July, we're inviting people everywhere to take a moment to create, whether that's for 10 minutes or few hours! And it's completely FREE to take part!

THE THEME THIS YEAR IS CONNECT!

ORGANISING AN EVENT

Are you interested in running your own event during the week to bring creativity to your community? We'd love to support you!

If you are organising a public creative event online or in person, you can list it on our website.

How to take part:

Just fill out this [form](#) (select 'Running an event') and we'll share it with our community!

You can find resources [here](#) to help promote your event as part of #CreateWeek.

CREATE WEEK

EVENT IDEAS

SIP & PAINT NIGHT

Gather your friends for an evening of creativity and fun. No experience needed and no judgement! Just a relaxed, social evening where everyone can make something and enjoy the process.

MINDFUL MAKING MORNING

Start your day right by creating space for reflection through one of our mindful activities. Gather your friends, colleagues or friends and take some time for yourselves.

CREATE WITH YOUR COWORKERS

Want to connect with your co-workers? Get together over lunch to make something new together! Spend your lunchbreak getting stuck into one (or more!) of our activities!

WHATEVER YOU DO

Make sure you share it with us using #CreateWeek or emailing us at communications@createarts.org.uk. We'd love to see pictures of your events and the things you create!
